Thank you for your interest in the Senatorial Scholarship. Unfortunately, our application deadline for the 2021 – 2022 academic year has passed. While the number of applications received already exceeds the available funding, occasionally funds are returned by students who cannot use them for a variety of reasons. If you would like to add your name to the waiting list of students to consider should additional funds become available, please send an email to Douglas.Peters@senate.state.md.us. Be sure to include your full name, permanent address (not your school address), and an email address that is checked regularly. Prior to doing this, please check to ensure that you live in the 23rd Legislative District. This can be done by clicking [here](#) and entering your address. We are not able to award scholarships to students who do not reside in the 23rd District. Should additional funds become available, you will be sent an email with the application and information letter. Additionally, we urge you to apply next year for the 2022-2023 school year. The online application will be available after January 15, 2022 on this website.

Please see below for our Scholarship Resource Guide. Should you have additional questions, please send an email to the address above.

Sincerely,

A handwritten signature in black ink, appearing to read 'DJP'.
